

“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”

2 Corinthians 9:7,8

THOUGHTS FOR THE MONTH

PERSPECTIVE IS EVERYTHING!

Starting at the end of July and continuing this month, Gus' messages are about **Perspective** - the way we see life.

To find out more, you can listen to these messages online from 3pm each Sunday at elimholyhead.com/sunday

It is so important to have the right perspective. It is the filter through which we interpret the events of our lives.

This month, I'm looking at four very important keys that will enable us to see life from a godly perspective.

1. Attitude determines our altitude

With the Holy Spirit's help, we can have the same attitude as Jesus and that of other heroes of the faith. Think of Joseph and what God did in and through his life as he chose a good attitude, even when life was tough!

2. Being Present

This isn't easy... there are so many distractions! The key is to have a continual awareness of God's presence. Jesus promises that he will never leave us, but are we actually aware of his presence and love? We are also called to be fully present with the people God has placed in our lives.

3. Play

Keeping a work-play balance is vital to maintaining a healthy soul! Some people spend too much time playing, and as a result never reach their full potential. Others burn-out because they have no interests outside of work. Replenishing ourselves also leads to greater creativity.

4. Adding value to others

God brings people into our lives. As we listen to the Holy Spirit's voice, he will lead us and empower us to serve others. In this way we will fulfil his command to love one another, as Jesus first loved us!

Pursue the things over which Christ presides.

Don't shuffle along, eyes to the ground, absorbed with the things right in front of you. Look up, and be alert to what is going on around Christ—that's where the action is. See things from his perspective.
