Church News

Sept. 2019

“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”

2 Corinthians 9:7,8

THOUGHTS FOR THE MONTH

This is part of a message from Joyce Meyer called, “Spending Time With God.” I would encourage you to Google it and listen to the entire message; it’s a game-changer!

Spending Time With God

If there’s one thing the devil does not want, it’s for you to spend regular time with God. It is **so** important to give God the first portion of your time and seek Him yourself on a regular basis. I believe it is the answer to every problem you have!

You can not stay strong in the Lord if you don’t spend time with Him. The Bible says, “If you seek Me diligently [regularly] you will find Me.”

With food, we might miss a meal once in a while, but we’re not going to miss one very often... we take time to eat! Let’s take time to be with God. I do think that if you can seek God before you do anything else in the day, it’s wise and it’s better for you; it’s just good to get full of God before you get full of something else. Even if you can’t do it for a long time in the morning just give Him something to get your day started right. All over the Bible there are people who got up early in the morning and sought God. It’s not going to hurt you to turn your television or phone off half an hour earlier at night so you can get up half an hour earlier in the morning to seek God.

The first fruit of everything belongs to God! If we give God the first portion, the rest is blessed. One of the reasons people are stressed out and never have enough time is because they are not giving God the time that He deserves. Just as with money, I believe that if you don’t have enough time you need to give God more time. We think we’re too busy to spend time with God, but if you don’t spend time with God nothing else is going to work in your life! **Spending time with God increases our joy and our peace; it gives us boldness and confidence; it brings deliverance.**
