

“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”
2 Corinthians 9:7,8

THOUGHT FOR THE MONTH

NEVER A BETTER TIME TO SHARE YOUR FAITH!

The Talking Jesus Report (2022)

Research into the UK church reveals “*there has never been a better time*” for christians to share their faith.

The Talking Jesus Report, carried out by Savanta ComRes and backed by the Evangelical Alliance, is designed to show what non-christians think of Jesus, how they view christian friends, and to explore the evangelism landscape.

The Report has revealed a huge post-pandemic appetite to hear about Jesus and a positive attitude toward christians. It reaffirms that there has never been a better time, or more need, for us as christians to invest in making Jesus known.

Among the key findings are:

- **1 in 3 people**, after talking to a christian, want to know more about Jesus
- **53%** of people know a practising christian
- **20%** believe Jesus is God
- **45%** believe in the resurrection

The Evangelical Alliance said of the report, “*It presents good news for the church and individual christian witness. It goes to reaffirm that our non-christian friends think well of us and there is ever-greater openness to hear stories of faith.*”
